

10th Tee Shuttles

For the Competition as well as the Pro-Am, courtesy shuttles will be available to transport you to the 10th tee, from the Driving Range, to begin play. There will also be shuttles picking you up from the same drop-off location upon completing your round on the 9th hole, and transporting you to the Scoring Area.

There will not be any shuttles to the 10th tee available on Monday, or after 7:30 a.m. on Tuesday, when the 10th tee closes to starting practice rounds. For practice rounds starting on the 10th tee Wednesday prior to the Pro-Am, players will have to walk to the 10th tee.
