Parking/Shuttle Information

Lot: B/Blue

Location: Caddies will again be offered parking in the player parking lot which is named Lot B/Blue and located on property. Adjacent to the player locker room, caddie area and the cart shuffles which take you across the street to the first tee. PGA TOUR issued credentials will need to be presented for access (Player and Caddie Parking only). Due to the increased size of the field and our preference in combining player and caddie parking to serve as a perk, parking is limited. If the lot fills up, some may be ushered to Lot C/Burgundy or Valet Parking which are both within a two minute walk of Lot B/Blue. Please be considerate of other players and caddies, and only utilize this space for actual players and caddies. Thank you.
