# ON-SITE COVID TESTING

To facilitate your compliance with the CDC requirement for proof of a negative COVID-19 test upon entering the United States, Mayakoba and its hotels offer on-site antigen and PCR testing for its guests and for tournament participants and caddies. Testing at the resorts is done in conjunction with AZUMED Laboratory, a Mexico-based medical laboratory. The PGA TOUR will cover the cost of antigen testing for all tournament participants and participating caddies.

All players and caddies must show photo identification. If you are staying at any of the four (4) Mayakoba hotels, you can have your test performed at your hotel. Consult the Front Desk or the Concierge to find the testing location at your hotel and its hours of operation. If you are not staying on-property at Mayakoba, you can visit the Testing Center located in the Convention Center of the Fairmont hotel to be tested at no charge to you.

## HOURS OF FAIRMONT TESTING CENTER

Monday to Thursday: 8 am – 1 pm; 2 pm – 4 pm

Friday: 8 am – 1 pm; 2 pm – 7 pm

Saturday & Sunday: 8 am – 1 pm; 2 pm – 6 pm

The CDC has a variety of different requirements surrounding timing of your test results depending on your vaccination status and citizenship. Please consult CDC.gov for further details on timing requirements applicable to you. For on-site testing at Mayakoba, PCR test results are typically delivered by email within 24 hours after the sample is taken, while antigen test results are typically delivered within one hour. Turnaround time is not guaranteed, and delays may occur.
