

BLUE HILLS COUNTRY CLUB – DRIVING RANGE NOTICE

Players must take into consideration the length of the driving range (approximately 260 yards) and are responsible for keeping balls within the confines of the range.

The safety of our players, caddies, staff, and volunteers is predicated on your discretion on the clubs you use and length of shots you hit. The range is bordered by the 1st and 6th fairways and extends to the netting parallel to the 4th fairway.

Players will not be able to access the Indoor Teaching Facility for the purposes of practicing or warming up. This facility will be used to house various Tournament Operations, including range ball distribution, and player scoring.

Failure to comply with these guidelines will result in the revocation of practice facility privileges and further disciplinary action.

Consult a Korn Ferry Tour Referee with any questions.
