- TBD Round 4 tee times
- 4:30 pm CT Anticipated finish time & Closing Ceremony (18th Green)

AGRONOMY

Golf Course Superintendent: Jon Prange

PGA TOUR Agronomist: Jim Abate

Highland Springs Country Club is well-positioned for the upcoming Price Cutter Charity Championship. Consistent with prior years, the A-1/A-4 creeping bentgrass greens are in good condition and will be maintained to produce smooth ball roll yet may be receptive due to the high heat and humidity in Springfield. The warm-season Meyer zoysiagrass tees, fairways, and approaches have good density and are expected to provide ideal summer playing conditions. Given the July timing, the cool-season rough height and density will be largely dependent on temperature and rainfall leading into tournament week. No competitive changes were made since last year's event.

Quick Facts:

- The target greenspeed will be 11' - 12'.

- The tees, fairways, and approaches will be mowed at .475 inch.
- The intermediate rough will be mowed at 1.5 inches, and the primary rough will be maintained at 3.5 inches – weather dependent.
