

PGA TOUR Hole Location Policy

In an effort to provide the most current PGA TOUR hole locations, please see the distribution timeline below.

Round 1 hole locations: Round 1 hole locations will be posted at the times detailed below, **whichever is later:**

- a) After the completion of the pre- tournament Pro – Am or when play is completed due to darkness or;
- b) At the following times:

From the Fortinet Championship (Napa) through to The Masters Tournament at **7 PM (local)**
From the RBC Heritage through to The TOUR Championship at **8 PM (local)**

For all other rounds: Hole locations will be posted at the times detailed in b) above. This also includes when a round has not been concluded and play is to be carried over to the following day.

In exceptional circumstances, when the Committee is in a weather delay and it is likely that future hole locations may be subject to change for the following round, the Committee may delay the release of the hole location sheet.

Until we are able to resolve the capability to post hole locations on the caddie website, hole locations will be located on the following platforms:
