

Supplemental Notice to Players: Return of Scorecard

Item 19, Scorecard Returned, on the 2024 PGA TOUR Local Rules and Terms of Competition document (hard card) has been amended. This amendment allows a player additional time to return to the scoring area to correct an error on the scorecard.

The following term of the competition 'Return of Scorecard' is now in effect:

"Return of Scorecard:

Under Rule 3.3b, a player must promptly proceed to the scoring area once their round is completed, and the player's scorecard is returned to the Committee 15 minutes after the scorecard is accepted into the electronic scoring system.

But if a scorecard mistake is discovered before it is accepted into the electronic scoring system and the player is not in the scoring area to correct that mistake, the player's scorecard is returned 15 minutes after that mistake is discovered.

Exception 1: If the player is in the scoring area when the 15-minute time limit expires, the player's scorecard is only returned when the player leaves the scoring area.

Exception 2: A player's scorecard is returned if any of the following four events occur, even if it occurs before the 15-minute time limit has expired or the player is still in the scoring area:

- Starting times have been released after a cut has been made.
- The player begins their next round.
- Any player has made a stroke to begin a play-off.
- The competition has closed.

Note: When applying the Exception to Rule 3.3b(3) or under any Rule where a player must correct a mistake before returning their scorecard (such as Rule 14.7c), the player's scorecard is returned when the player has left the scoring area."
