General Information:

THE PLAYERS is excited to unveil amenities and experiences for all caddies in an upgraded caddie dining and lounge suite courtesy of Levelwear. Caddie Dining and Lounge is located in the cart facility & TPC Sawgrass Caddie Lounge in the lower level of the clubhouse. We are excited to provide a masseuse, barber, barista service and gifting experience throughout the week.

Sustainability

Positively impacting the Northeast Florida community is a priority of THE PLAYERS Championship, and this year we have committed to creating positive outcomes for our local environment as part of that. In 2025 THE PLAYERS Championship is reducing our greenhouse gas emissions, diverting more materials from landfill, and tracking our stakeholder footprint.

We are implementing several sustainability improvements:

- All players and caddies will have access to refillable YETI water bottles.
- Transitioning all single use plastic water bottles in player and caddie areas to 100% recyclable aluminum water bottles.
- Refillable water stations on hole #2 and hole #10, as well as refillable water stations in the Locker Room, Caddie Lounge, and the Player Performance Studio.

Your support and participation in these efforts plays a key role in our organization's mission to reduce our environmental footprint and positively impact the communities where we play.
