INTRODUCING

PRACTICE ROUND DATA

Data from the on-course Trackman devices is now accessible during practice rounds via the **Trackman Golf Pro** app.

WHO CAN ACCESS THE DATA?

- Players
- Caddies
- Coaches
- EQMs

Only approved users will see the Practice Round option in the Trackman Golf Pro app.

WHEN IS DATA AVAILABLE?

Beginning approximately noon on Tuesday through end of day Wednesday.

Data is not available during tournament rounds.

QUESTIONS?

Reach out to any Trackman TOUR rep:

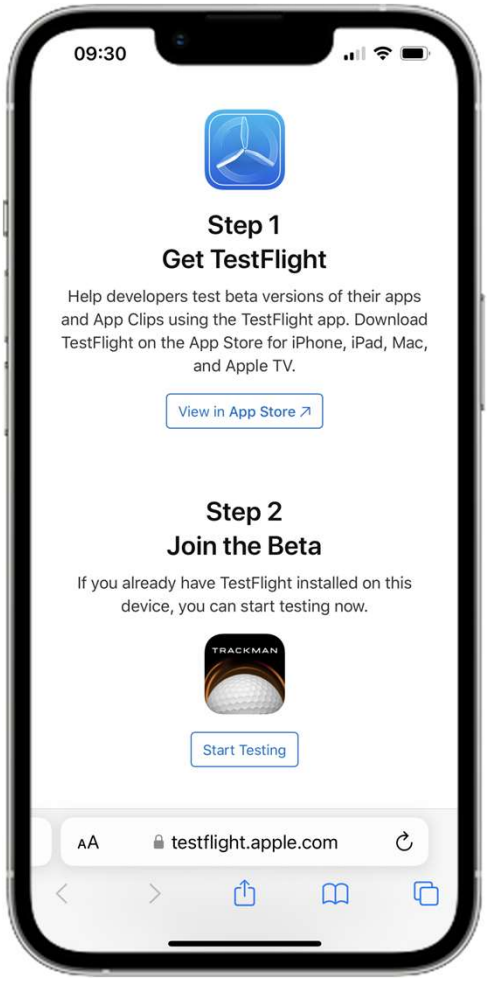
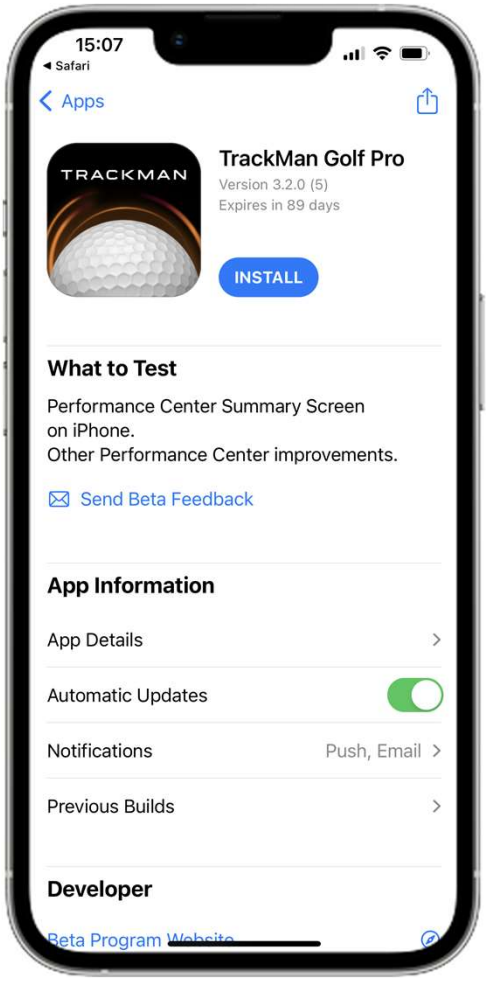
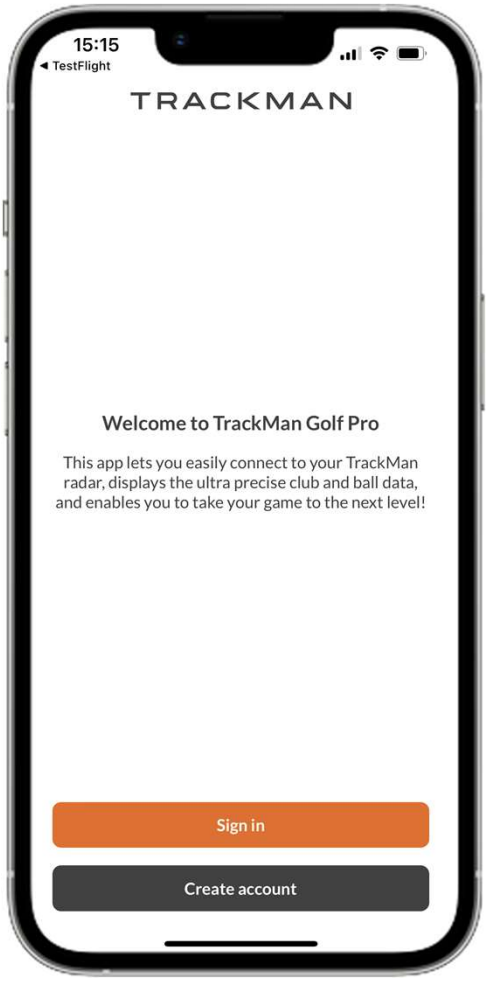
HOW TO GET STARTED

Practice Round data is currently available through the beta TestFlight version of the **TrackMan Pro Golf** app.

SCAN ME







1. Scan the QR code
2. Install TestFlight (View in **App Store**)
3. Click 'Start Testing' under Step 2 - Join the Beta
4. Install TrackMan Golf Pro app
5. Open the TrackMan Golf Pro app and 'Sign in' or 'Create account'

IMPORTANT: When using Practice Round for the first time, make sure to allow location services (Allow While Using App)
