

Uploading Vaccination Cards to Healthy Roster

A:

Upload vaccination card to your Healthy Roster profile

- Every “Athlete” in Healthy Roster that is a player, caddie or categorized as “Inside the Bubble” staff has a notification in their profile of a “Missing Document” **(Image A)**
- It is very simple to upload the vaccination card from the App:
 - Click on **“View Profile”** in the Healthy Roster App
 - Click on **“Documents”**
 - Under **“Missing Documents”** click on **“Vaccination Card Upload”**
 - Select **“Take Photo”**
 - Camera will automatically pop up in the App
 - Take a photo of your **COMPLETE** vaccination card; click **“Use Photo”**
 - The photo will automatically be added to your Healthy Roster Account

Exempt from PGA TOUR testing

- Once the vaccination card is uploaded, PGA TOUR Health and Safety Team will be notified and will review the card in Healthy Roster
- The athlete will be exempt from testing once 14 full days have passed from second dose (Moderna & Pfizer); or once 14 full days have passed from single dose (Johnson & Johnson)
- Please check in with the Confirmation Table each week to confirm you are exempt and pick up your wristband or lanyard for bubble access

***Individuals that are fully vaccinated but have not upload their card to Healthy Roster will be required to test*
