Extended forecast - Mostly sunny skies will persist into Tuesday, with afternoon highs in the low 80s. Wednesday will stay largely dry, though mostly cloudy and breezy conditions can be expected with Showers developing Wednesday night ahead of the next system. A cold front will move through on Thursday, bringing a solid chance of rain and a few thunderstorms. Some rainfall may be heavy at times, particularly with stronger storms, before the system shifts east later in the day. Drier, cooler air briefly returns on Friday, followed by a warm-up Saturday afternoon into Sunday with highs near 80 degrees.

Forecast prepared by meteorologist Stewart Williams.
